Isaiah 58:12 Faith-Based Preparedness & Disaster Relief Conference April 30 –May 1, 2010

It is only appropriate we hold the first statewide Isaiah 58:12 Disaster Relief & Preparedness Conference at the same place we held our first Faith-based CERT training on March 26-28, 2009, just over a year ago. In 2009 we trained over 600 volunteers in churches across the state of Michigan; by the time this conference takes place we will have trained over 200 more. The importance of well trained volunteers continues to increase with the recent earthquake in Haiti and the economic crisis our own nation is experiencing.

The Conference focus will be two-fold: First what is the Church doing nationally and internationally to respond to the shakings of our day and how can you be a part of that effort? To that end, Tom Hardiman head of Morningstar MFM disaster relief efforts, will be sharing his heart and vision on how to train, prepare and respond to both the short and the long term crisis's of our time. Crisis Response International (CRI) from IHOP in Kansas City and other Christian Relief leaders have been invited to do the same. The second focus will be to provide advanced emergency training to conference attendees. Sgt. Sweeny of the Michigan State Police and head of the CERT program will speak to us about preparation and the CERT program in Michigan. We also have Michigan Emergency Instructors who are going to provide us with specialized advanced training. (Note: You do not have to be CERT trained to attend this conference).
