PRESENTS: GROUP CRISIS INTERVENTION

14 Contact Hours

Designed to present the core elements of a comprehensive, systematic and multi-component crisis intervention curriculum, the Group Crisis Intervention course will prepare participants to understand a wide range of crisis intervention services. Fundamentals of Critical Incident Stress Management (CISM) will be outlined and participants will leave with the knowledge and tools to provide several group crisis interventions, specifically demobilizations, defusings and the Critical Incident Stress Debriefing (CISD).

This course is designed for anyone in the fields of Business & Industry Crisis Intervention, Disaster Response, Education, Emergency Services, Employee Assistance, Healthcare, Homeland Security, Mental Health, Military, Spiritual Care, and Traumatic Stress.

Course includes (but not limited to):

- "Resistance, resilience, recovery" continuum
- Adverse outcome associated with crisis intervention
- Critical Incident Stress Debriefing (CISD)
- Reducing risks
- Incident assessment
- Relevant research findings & recommendations for practice
- Strategic intervention planning
- Large group crisis interventions
- Small group crisis interventions

This CISM Course curriculum meets all requirements and standards as set forth by the International Critical Incident Stress Foundation, Inc.(ICISF). Participants receive an official ICISF Certificate of Completion.
